

QUALITY POLICY

Mediplast strive to manufacture and deliver products that meet customer and other stakeholder requirements and expectations.

Following national and international laws, regulations and standards and make them a natural part of every employee's daily work, we can always have quality and safety in mind.

We are working to further develop our quality management system so that it remains effective and supports us in our ambition.

Through the commitment and knowledge of Mediplast employees and by closely collaboration with our customers and suppliers, we constantly try to improve our products and to maintain high safety and service level for our customers and users.

Malmö 2nd of February 2023

Johan Bongstorp
Managing Director
