OTHER SPECIALTIES

COTTON BALLS	12
COMFORTPACK [™]	13
NASALPACK [™]	13

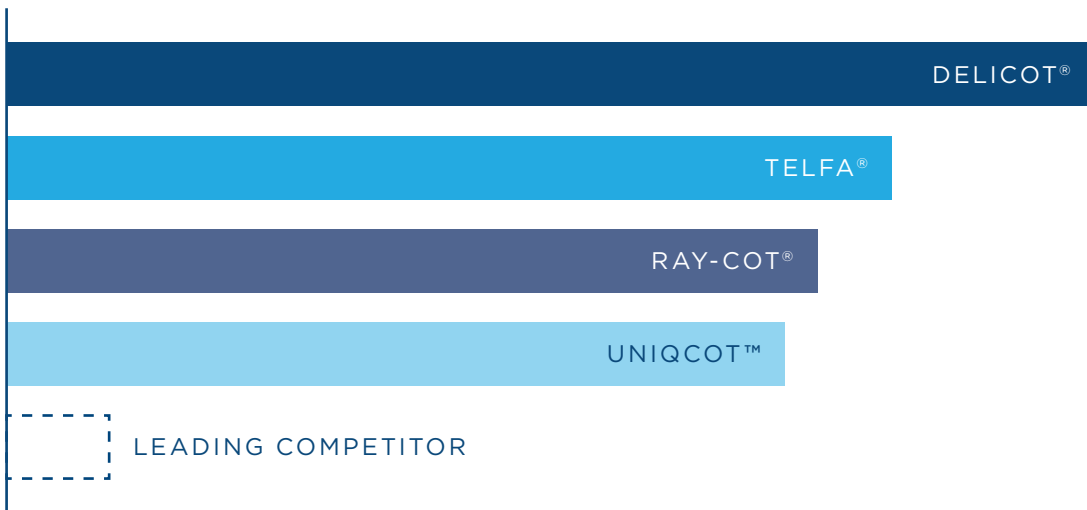

STRONGEST

The ability of a pattie to resist tearing when moist. Measured by tensile strength.

BEST PLIABILITY

The degree of flexibility of the pattie to freely bend, mold, or otherwise be shaped to conform to tissue.

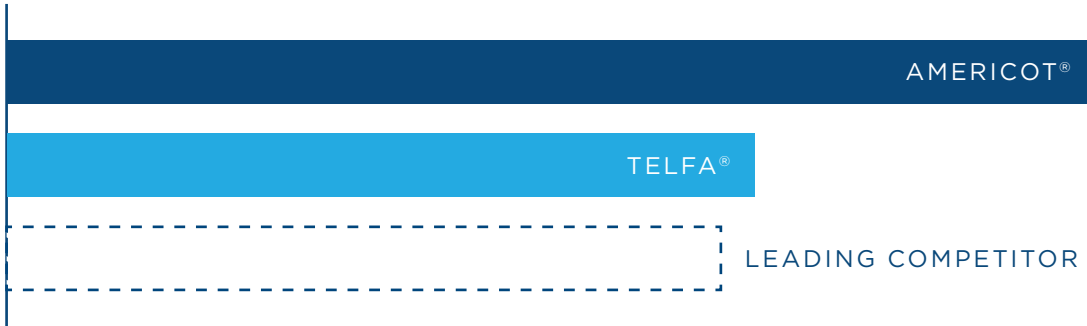

PRODUCT PERFORMANCE

American Surgical Company offers absorbent, single-use surgical tools for use across a wide array of medical specialties. Studies show that ASC patties outperform our competitors in all key categories, from greatest absorbency to best pliability.

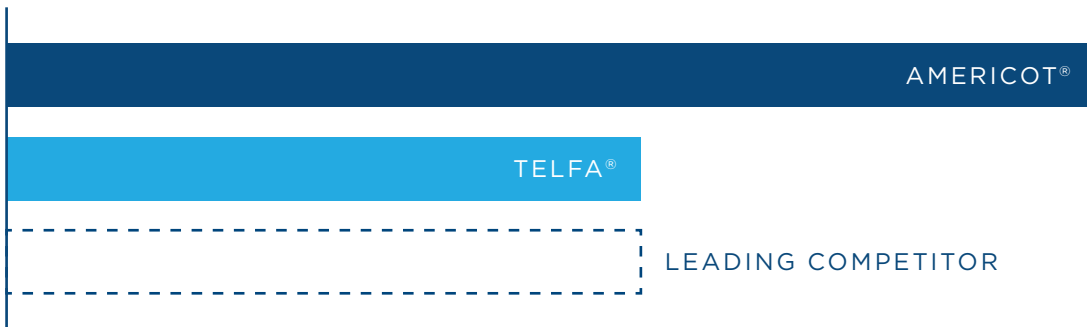

LONGEST MOISTURE RETENTION

How long a pattie retains fluid before it dries, clings, and potentially damages tissue upon removal.

GREATEST ABSORBENCY

The capacity of a surgical pattie to absorb and retain fluid.

BEST FLUID ASPIRATION

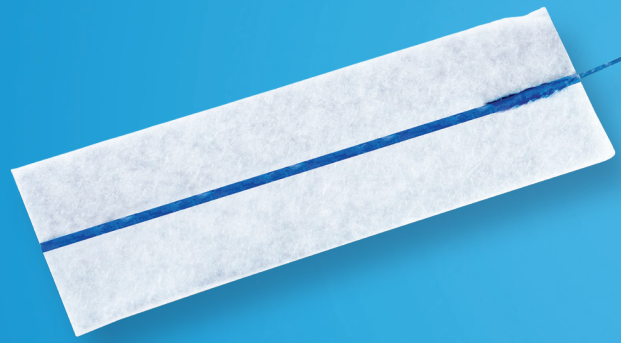

The ability to filter fluids through the pattie via suction to protect delicate structures.

THE SAME TRUSTED PROPERTIES OF TRADITIONAL RAYON PATTIES, BUT STRONGER AND MORE PLIABLE

- 12% greater absorbency and 2x stronger than the leading competitor
- Single barium line allows for superior pliability and softness
- Smooth precise edges reducing the potential for loose fibers

Packaged in quantities of 200 per box (20 pouches of 10)

THE ONLY PRODUCT FOCUSED ON MICROSURGICAL PROCEDURES AND THE LEADER IN PLIABILITY

- Designed for newer microsurgical techniques that utilize a smaller incision and operating site, thereby requiring less retraction on the brain
- Thinner 0.33 mm pattie and locator string for improved visibility
- Precision cut providing smooth edges, reducing the potential for loose fibers

*Packaged in quantities of 200 per box (20 pouches of 10)**

COMFORTPACK™

Ocular Anesthesia

THE COMFORTPACK™ COMES WITH TWO STERILE STRUNG COTTON PLEDGETS, A DISPENSING CUP, AND A SWAB

- Absorbs anesthetic solutions for precise and effective numbing
- Eliminates waste and increases cost savings
- Sterile strung cotton pledget is a multi-use product for the clinic or OR
- Allows for anesthesia that's easier on your patients' eyes and easier for you to manage

#110-01 - Packaged in quantities of 30 (60 pledgets)

#111-01 - Packaged in quantities of 100 (20 pouches of 5)

#111-02 - Packaged in quantities of 100 (20 pouches of 5)

NASALPACK™ Nasal Packing

DESIGNED TO BE USED AS INTRANASAL PACKING FOLLOWING SEPTOPLASTY, RHINOPLASTY, ENDOSCOPIC SINUS SURGERY, OR OTHER SINONASAL SURGICAL PROCEDURES

- Reduces adhesion
- Gentler on wound sites
- Increased patient comfort

Packaged in quantities of 100 per box (50 pouches of 2)

#41-04

www.AmericanSurgical.com

1. Price - The price for ASC's products are specified unless otherwise agreed by ASC and the purchaser as reflected in ASC's invoice. All prices are exclusive of transportation and insurance costs, duties, and all taxes.

2. Delivery & Risk of Loss - Unless otherwise agreed in writing, sales are FCA ASC's place of business, meaning that the title and risk of loss transfers when the products are delivered to the common carrier at ASC's place of business, that the cost of shipping is the purchaser's responsibility, with shipping being arranged either by purchaser or by ASC on the purchaser's behalf. Unless otherwise agreed in writing, delivery dates are estimates and delivery time is not of the essence. Unless otherwise agreed in writing, ASC does not accept liability for any loss arising from delay in delivery of products. Orders received prior to 4.00 pm EST will ship same day (subject to availability). All orders are shipped ground service unless specified by the purchaser.

3. Payment Terms - Unless otherwise agreed in writing, payment terms shall be net thirty (30) days from the date of invoice. Unless otherwise agreed in writing, all payments are to be in United States dollars. For contracts outside the United States, ASC may require payment to be secured by an irrevocable letter of credit or a bank guarantee acceptable to ASC. Where payment is made by letter of credit, all costs of collection shall be for purchaser's account. In the event that ASC is required to bring legal action to collect delinquent accounts, the purchaser agrees to pay ASC's reasonable attorney's fees.

4. Limited Warranty - ASC warrants that these devices are of merchantable quality and free from material defects as of the date of delivery. **There are no other warranties, express or implied, of**

merchantability or fitness for a particular purpose and none shall be created whether under the uniform commercial code, by custom or usage in the industry, or course of dealings. The user of these medical devices must determine their suitability for any medical procedure. Manufactured in the USA subject to USFDA and ISO 13485:2003 control.

5. Limitation of Liability - The liability of ASC for any claim arising out of or in connection with a breach of warranty or any other claim relating to the ASC product shall not exceed the amount paid to ASC by purchaser with respect to the sale of the specific product or products cited in such claim. In no event shall ASC be liable to purchaser for loss of profits, or for incidental, indirect, special, consequential or other similar damages, even if ASC has been advised of the possibility of such damages or losses.

6. Applicable Law - All matters and issues relating to the purchase and sale of products from ASC shall be governed by and construed in accordance with the laws of The Commonwealth of Massachusetts without reference to conflicts of law principles. Venue and jurisdiction of all actions relating to the performance or interpretation of this Agreement may be brought only in the courts of The Commonwealth of Massachusetts located in Boston, Massachusetts. The parties consent to personal jurisdiction in the courts described in this section for the purpose of all actions, and waive all objection to venue and the right to assent that a court chosen under this section is improper based on the doctrine of forum non conveniens.
